PERFORMANCE

EAN Code:

8388765800830

Description

Soap with a sanitizing action with a physiological pH, colorless, suitable for any situation in which a sanitizing action is required.

Its formulation with emollient active ingredients, minimizes the risks of allergies, leaving the skin of the hands soft.

PROPERTY'

Neutral alcohol-based detergent with sanitizing action.

DOSAGES AND METHODS OF USE

Spread **sanifix+ sanitizing gel** on the part to be treated, rub gently until completely absorbed.

FIELD OF USE

To clean hands in all those environments where a higher level of sanitizing hygiene is required such as laboratories for the food industry, hospital, geriatric environment, medical, dental offices, etc.

SANITIZING HAND CLEANER

Label:

sanifix+
SANITIZING GEL

Sanitizing hand gel containing agents with high antiseptic action. It is ready to use and does not require rinsing. We recommend its use in any situation, even to remove unpleasant odors from the hands.

How to use: Apply on hands and rub until the skin is dry.

Warnings: keep in a cool place, away from heat sources. External use. In case of contact with eyes, rinse thoroughly with water.
